We reserve all other rights.
- 2. Acceptable use.** You may use the Service only in accordance with this Agreement and the terms of the Acceptable Use Policy. You may not reverse engineer, decompile, disassemble, or work around technical limitations in the Service, except to the extent that applicable law permits it despite these limitations. You may not share non-public System features or content with any third party. You may not access the System in order to build a competitive product or service, to build a product using similar ideas, features, functions or graphics of the System, or to copy any ideas, features, functions or graphics of the system. You may not disable, tamper with, or otherwise attempt to circumvent any billing mechanism that meters your use of the Service. In the event that we suspect any breach of the requirements of this Section 1(2), including without limitation by End Users, we may suspend your access to the System without advanced notice, in addition to such other remedies as we may have. Neither this Agreement nor the AUP requires that we take any action against you or any End User or other third party for violating the AUP or this Agreement, but we are free to take any such action we see fit.
- 3. Compliance with Laws.** In your use of the Service, you will comply with all applicable laws, including without limitation laws governing the protection of personally identifiable information, including personal health information, and other laws applicable to the protection of Customer Data.
- 4. End Users.** You control access by End Users, and you are responsible for their use of the Service in accordance with this agreement, and any use of the Service through their account, whether authorized or unauthorized. For example, you will ensure End Users comply with the Acceptable Use Policy.
- 5. Customer Data.** You are solely responsible for the content of all Customer Data. We will have no responsibility or liability for the accuracy of data uploaded to the System by you or by End Users. You will secure and maintain all rights in Customer Data necessary for us to provide the Service to you without violating the rights of any third party or otherwise obligating Leafsprout to you or to any third party. Leafsprout does not and will not assume any

obligations with respect to Customer Data or to your use of the Service other than as expressly set forth in this Agreement or as required by applicable law.

6. **Non-Leafsprout Products and Services.**

- a. We may make Non-Leafsprout products or services available to you through Cortex Archive or other means. The use of any Non-Leafsprout product or service will be governed by separate terms between you and the third party providing the Non-Leafsprout product or service. For your convenience, Leafsprout may include charges for the Non-Leafsprout product or service as part of your bill for the Service. Leafsprout, however, assumes no responsibility or liability whatsoever for any Non-Leafsprout products or services.
- b. You are solely responsible for any Non-Leafsprout product or service that you install or use with the Service. We are not a party to and are not bound by any terms governing your use of any Non-Leafsprout product or service.
- c. If you install or use any Non-Leafsprout product or service with the Service, then you, not Leafsprout, direct and control the installation and use of it with the Service through your actions (for example, through your use of application programming interfaces and other technical means that are part of the Service).
- d. If you install or use any Non-Leafsprout product or service with the Service, you may not do so in any way that would subject our intellectual property or technology to obligations beyond those included in this Agreement.

7. **Responsibility for your accounts.** You are also responsible for maintaining the confidentiality of any non-public authentication credentials associated with your use of the Service. You must promptly notify our customer support team about any possible misuse of your accounts or authentication credentials or any security incident related to the Service.

8. **Updates.** We may make changes to the Service from time to time. We will provide you with three (3) months' prior notice before removing any material feature or functionality, unless security, legal, or system performance considerations require an expedited removal.

2 SECURITY, PRIVACY, AND DATA PROTECTION.

Current information about our security practices can be found on the Cortex Archive website (www.cortexarchive.com).

We are a data processor (or sub-processor) acting on your behalf, and you appoint us to transfer, store, and process Customer Data in order to provide the Service to you. You will obtain any necessary consent from End Users or others whose personal information or other data you will be hosting using the Service. Data will reside in the location set out in your Order.

3. **Privacy Policy.** The Privacy Policy applies only to the Service and does not apply to any third party website or service linked to the Service or recommended or referred to through the System or by our staff.

4. **Ownership of Customer Data.** You retain all right, title, and interest in and to Customer Data. We acquire no rights in Customer Data, other than the right to host Customer Data within the Service, including the right to use and reproduce Customer Data in accordance with our Privacy Policy.

5. **Use of Customer Data.** We will use Customer Data only to provide you the Service and in accordance with our Privacy Policy or as directed/authorized by you. This use may include troubleshooting to prevent, find, and fix problems with the operation of the Service. It may also include improving features for finding and protecting

against threats to End Users. We will not use Customer Data for any purposes other than those described within our Privacy Policy, without your consent. Notwithstanding the foregoing, we may disclose Customer Data as required by applicable law or by proper legal or governmental authority. We will give you prompt notice of any such legal or governmental demand and reasonably cooperate with you in any effort to seek a protective order or otherwise to contest such required disclosure, at your expense.

6. **Data Deletion.** If your account is delinquent, suspended, or terminated we may return or delete your Customer Data as specified in Sections 5(3) and 5(4). At any time we retain the right to delete data older than the applicable data retention period of the governing jurisdiction specified in Section 11(7).
7. **Third-party requests.** We will not disclose Customer Data to a third party (including law enforcement, other government entity, or civil litigant; excluding our subcontractors) except as you direct or unless required by law. Should a third party contact us with a demand for Customer Data, we will attempt to redirect the third party to request that data directly from you. As part of this effort, we may provide your basic contact information to the third party. If compelled to disclose Customer Data to a third party, we will promptly notify you and provide a copy of the demand, unless legally prohibited from doing so. You are responsible for responding to requests by third parties regarding your use of the Service.
8. **Subcontractors.** We may hire other companies to provide limited services on our behalf. Any such subcontractors will be permitted to obtain Customer Data only to deliver the services we have retained them to provide, and they are prohibited from using Customer Data for any other purpose. We remain responsible for our subcontractors' compliance with the obligations set forth in this agreement.
9. **Aggregate & Anonymized Data.** Notwithstanding the provisions above, we may use, reproduce, sell, publicize or otherwise exploit Aggregate Data in any way, in our sole discretion. 3 PURCHASING SERVICE.

1. **Subscriptions.** Subscriptions extend for a given period of time (a "Subscription Term") as specified in an Order. Usage of Services generally can be categorized as one or a combination of the following:
 - a. **Subscription Usage.** You commit in advance to purchase a specific quantity of Services (a "Subscription Quantity") for use during a Subscription Term and to pay the fee ("Subscription Fee") upfront during the Subscription Term in advance of use. Subscription Quantity, Subscription Fee, and Subscription Term are as set out in your Order. Additional usage (beyond your Subscription Quantity) is billed as Overage.
 - b. **Overage.** Periodically during your Subscription, at the end of each "Sampling Period", your usage of Service is measured. The length of a Sampling Period is set out in your Order. At the end of each Sampling Period you pay for any actual unpaid usage of the Service beyond your Subscription Quantity.
2. **Ordering.** By placing an Order you agree to the Order details for that Subscription. There may be a minimum period of time or a minimum number of Subscription Terms specified in the Order during which you commit to purchasing Services (the "Commitment Period"). Unless otherwise specified in the Order, Services are offered on an "as available" basis and we make no guarantee that a particular quantity of Services will be available at the time of request.
3. **Pricing and payment for Service.** Payments are due and must be made according to the Order for your Subscription.

- a. We reserve the right to amend the Fees at any time upon providing you with sixty (60) days prior written notice.
 - b. Payments are due within thirty (30) days of the commencement of the Subscription Term, and within thirty (30) days of receipt of invoice for each Sampling Period.
4. **Renewal.** Upon the expiration of the Commitment Period set out in the Order, the Subscription renews automatically for successive Subscription Terms until either party terminates the Subscription.

Upon each renewal of your Subscription, this agreement will expire and your Subscription will thereafter be governed by the Terms of Service set forth on the Cortex Archive website on the date on which your Subscription is renewed (the “Renewal Terms”). If you do not agree to any Renewal Terms, you may decline to renew your Subscription.

5. **Taxes.** Prices are exclusive of any taxes. You shall pay any applicable value added, goods and services, sales, or like taxes that are owed with respect to any order placed under this Agreement and which we are permitted to collect from you under applicable law. You shall be responsible for all taxes that you are legally obligated to pay. We shall be responsible for all taxes based on our net income or on our property ownership.

1. **Agreement term and termination.** The term of this Agreement (the “Term”) will commence on the Effective Date set forth in the Order and continue for the Commitment Period set forth in the Order, or, if none, for six (6) months. Thereafter, the Term will renew for successive Subscription Terms, unless notice of termination is given.
2. **Subscription Term and termination.** Either party may terminate this Subscription by written notice at any time, and such notice will be effective upon expiration of the Commitment Period set forth in the Order or in sixty (60) days, whichever is latest. If you terminate this Subscription you must pay all amounts due and owing before the termination is effective, and no refunds will be provided. If we terminate this Subscription we will refund you the prorated portion of any payments which you have made for the balance of the Subscription Term outstanding at the date of such termination.
3. **Customer Data return and deletion.** You may extract and/or delete Customer Data at any time. When a Subscription expires or terminates, we will retain any Customer Data you have not deleted for at least ninety (90) days so that you may extract it. Following the expiration of this retention period, within thirty (30) days of the end of the retention period we will either: (1) delete all remaining Customer Data if directed by you, including any cached or back-up copies; or (2) return all remaining Customer Data to you at your expense and delete all remaining Cortex Archive copies of Customer Data, including any cached or back-up copies. If return of remaining Customer Data to you requires delivery to a street address, then we will send such Customer Data to the street address specified on your Order or such other street address as you may specify. You remain responsible for all applicable charges related to the return of Customer Data to you. You agree that we have no additional obligation to continue to hold, export or return Customer Data and that we have no liability whatsoever for deletion of Customer Data pursuant to these terms.
4. **Suspension.** We may suspend your use of the Service if: (1) it is reasonably needed to prevent unauthorized access to Customer Data; (2) you fail to respond to a claim of alleged infringement under Section 9 (Defense of Claims.)

within a reasonable time; (3) you do not pay amounts due under this Agreement; or (4) you do not abide by the Acceptable Use Policy or you violate other terms of this Agreement. If one or more of these conditions occurs, then:

- a. A suspension will apply to the minimum necessary part of the Service and will be in effect only while the condition or need exists. We will give notice before we suspend, except where we reasonably believe we need to suspend immediately. We will give at least fourteen (14) days' notice before suspending for non-payment. If you do not fully address the reasons for the suspension within thirty (30) days after we suspend, we may terminate your Subscription for Cause without any retention period. We may also terminate your account if your use of the Service is suspended more than twice in any 12-month period.
5. **Termination for Cause.** Either party may terminate this Agreement for the other's material breach by written notice. Such notice will specify in detail the nature of the breach and will be effective in thirty (30) days, or more if specified in the notice, unless the other party first cures the breach.
6. **Effects of Termination.** Upon termination of this Agreement, you will cease all use of the Service. The following provisions will survive termination or expiration of this Agreement: (a) your obligation to pay fees incurred before termination; (b) Sections 6 (IP & Feedback), 7 (Confidential Information), 8 (Warranty Disclaimers), 9 (Defense of Claims), and 10 (Limitation of Liability); and (c) any other provision of this Agreement that must survive to fulfill its essential purpose.

You recognize that the Service, the System and its components are protected by copyright and other laws.
2. **Feedback.** We have not agreed to and do not agree to treat as confidential any Feedback (as defined below) you or End Users provide to us, and nothing in this Agreement or in the parties' dealings arising out of or related to this Agreement will restrict our right to use, profit from, disclose, publish, keep secret, or otherwise exploit Feedback, without compensating or crediting you or the End User in question. You will promptly notify us of any misuse or misappropriation of Confidential Information that comes to your attention. Notwithstanding the foregoing, you may disclose Confidential Information as required by applicable law or by proper legal or governmental authority. You will give us prompt notice of any such legal or governmental demand and reasonably cooperate with us in any effort to seek a protective order or otherwise to contest such required disclosure, at our expense.
5. **Injunction.** You agree that breach of this Section 7 would cause us irreparable injury, for which monetary damages would not provide adequate compensation, and that in addition to any other remedy, we will be entitled to injunctive relief against such breach or threatened breach, without proving actual damage or posting a bond or other security.
6. **Termination & Return.** With respect to each item of Confidential Information, the obligations of Section 7(4) above (Nondisclosure) will terminate five (5) years after the date of disclosure; provided that such obligations related to Confidential Information constituting our trade secrets will continue so long as such information remains subject to trade secret protection pursuant to applicable law.
